**Step 2** Next, press the "Registration" button. When you do this, a registration form will appear on your screen.

**Step 3** You have to complete all the necessary information in the Registration form. Remember, the fields with asterisks are important and must be filled out for your registration to be successful.

The image shows a mobile application interface for student registration. At the top, there is a teal header with the text "STUDENT REGISTRATION" and a close button (X). Below the header, the form is titled "Please provide your details" and includes a note: "\* ALL FIELDS ARE MANDATORY". The form contains several input fields, each with a red asterisk indicating it is mandatory. A red dashed box highlights the entire form area. The fields are: a name field, a phone number field with the instruction "Only put your own Mob No.", an email address field with the instruction "Only put your own Mail ID.", a password field, a date of birth field with the instruction "Date Of Birth.", and a date selection field with a calendar icon. At the bottom of the form, there is a teal "Register" button, which is pointed to by a red arrow.

**Step 4** After completing the registration, you will receive your Application Number and Password. Make sure to write them down because you will need them when you log in later. Click "Ok" to continue with the login process.

**Step 5** You can use the Application Number and Password you received to log in now. Simply enter your credentials and click on the "Login" button.

---

**Step 6** After you've logged in, there's a form you need to complete for PG admission. On that form, make sure you enter all your information about academic, personal, and contact details. Don't forget the really important parts marked with an asterix. When you're all done,

remember to click the Save & Preview button.
